State in Society Daniel Lambach 2 1 THE PREDOMINANT STATE? Today, Joel Migdal sets forth in his seminal work Strong Societies and Weak States, “for those of us in the West, the state has been part of our natural landscape

Political (In)Security in the Middle East

Whether a state is weak or strong in terms of its socio-political cohesion has thus little to do with whether it is as weak or strong as a power Of course, strong states can also be strong powers, such as Israel On the other hand, strong states can be weak powers, like Egypt, while weak states can be quite strong powers, like Turkey and Iran

State in Society - Assets - Cambridge University Press

State in Society The essays in this book trace the development of Joel S Migdal's "state-in-society" approach His process-oriented analysis illuminates how power is exercised around the world, and how and when patterns of power change Despite the triumph of ...

The Politics of State, Society and Economy

although the state may impact on society, the reverse is also true Thus the state's power to govern can be severely curtailed by a militant society, and a weak state may be unable to manage a strong society Given that states have seemingly unprecedented resources at their

Post-Colonial States and the Struggle for Identity in the ...

Because the post-colonial states were imposed from the top down, they were also weak in that they have had trouble carrying out their policies Post-colonial societies, on the other hand, are said to be strong, in that people rely on social networks rather than the state to meet their needs For example, they rely on tribes or villages notables

The Everyday Life of the State - Project MUSE

ones Both the theory and the narratives in Strong Societies and Weak States revolve around the "hard" aspects of state power For Migdal, state power grew out of the ability to reconstruct social power so that it was in one's best interest to follow state rules and not others In this sense,

Strong States, Weak Societies? Africa and the return of ...

Strong States, Weak Societies? Africa and the return of the developmental state Vincent Foucher, CEAN-IEP Bordeaux (vfoucher@sciencespobordeaux.fr) Didier Péclard, swisspeace, Bern (didierpeclard@swisspeace.ch) Critics of the narrative of state failure in Africa have rightly pointed out that the state could

CONCEPTUALIZING AND MEASURING STATE CAPACITY

113) Despotism, the power of the state elite over society is shallow, and allows for autonomy but is not able to transform society Infrastructural power by contrast is deep, transformative, but also limiting as it creates or strengthens countervailing civil societies group While some of the his-
